## APPLICATIONS 2023/24

### INITIATIVE FOR STUDENTS AT RISK

#### Frequently Asked Questions

**Who can apply?** Applicants to these degree programmes must be in possession of an international protection document (or applicant with provisional permission) issued by the Foreigners and Borders Service (SEF) in Portugal.

**What is necessary for the application?** Apart from the SEF document and a curriculum vitae, the same documents that are required for applications from international students.

**In what language should the application be made?** All documents must be translated into Portuguese or English.

**Do I need to know Portuguese or English to apply for one of the courses?** No, having no knowledge of the language does not exclude you from the application process.

**Is it possible to apply to more than one degree programme?** You must choose the campus, and, within each campus, there is the possibility to apply for a second option.

**Is there an application fee?** No, students in humanitarian emergency situation are exempted from the application fee.

**What should I do if I do not have all the documents requested and translated?** Apply with the documents you have, and we will assist you in the process.
