

T8.5 - Develop a T4EU Lifelong Learning Centre and promote curricular Service-Learning

3rd T4EU Service-Learning WORKSHOPS

2nd & 3rd JUNE, 2025

Program

<i>Service-Learning and Civic Engagement</i>	
<p>2nd JUNE 2025</p> <p>14h – 16h</p> <p>(Lisbon time)</p> <p>Room EC011</p>	<p>Participants in this session will be introduced to the conceptualization of community engagement that has emerged from work primarily in the United States, but that has also been adapted in other regions of the world. The presentation will briefly compare and contrast community engagement to Europe’s third mission. It will then situate community engaged instruction (i.e., service learning), community engaged research, and community engaged service with the broader framework of community engagement. Different types of scholarship and research related to community engagement will be described.</p>

<i>Service Learning: Pedagogical aspects and curriculum design</i>	
<p>3rd JUNE 2025</p> <p>10h – 13h</p> <p>(Lisbon time)</p> <p>Room EC013</p>	<p>Participants will be introduced to the why, what, and how of service-learning as a community engaged pedagogy. The educational rationale for service-learning will be presented along with the basic components of service-learning course design, including reflection, partnerships, civic learning, and assessment. Participants will have the opportunity to share ideas they have about revising a course to be a service-learning course.</p>
