Mental Health Literacy and Psychological First Aid Workshops

UCP2 Mental Health

Workshop “Friendship or Trap? Identifying and Navigating Toxic Relationships” | In-person |

Portuguese

March 4, 2:00 pm – 3:30 pm

In this workshop, we will explore dysfunctional dynamics, behavioural red flags, and the psychosocial impacts of toxic relationships. Participants will leave with practical strategies to prevent the escalation of negative relational patterns in their lives.

Workshop “From Digital Connection to Human Presence: Disconnect to Reconnect” | In-person |

Portuguese

April 10, 11:00 am – 12:30 am

In this workshop, we will explore the impact of mobile phone use on attention, relationships, and mental health. Participants will leave with practical strategies for digital hygiene and emotional regulation.

Workshop “Social Anxiety: Understanding Fear in Social Situations” | In-person | Portuguese

April 28, 10 am – 11:30 am

In this workshop, we will explore what social anxiety is, how it manifests, and how it can affect daily life. Participants will leave with practical strategies to manage fear of judgment in social situations and to build and strengthen their self-confidence.
