

## **PORTUGUESE AS A FOREIGN LANGUAGE 2018/2019 – 1<sup>st</sup> semester**

### **General Objective**

Develop basic skills in the use of Portuguese - verbal and written.

### **Specific Objectives**

At the end of training, students should be able to:

- Develop of speaking, listening, reading and writing skills; acquire, expand and use new vocabulary, grammatical structures and language functions.
- Use language skills, so that they are able to express their ideas and opinions about situations in a simple, clear and coherent way.
- Create communicative situations in order to use Portuguese in professional and every day contexts.

### **Contents**

- Greetings and salutations
- Giving personal information
- Distinguishing between formal and informal language
- Talking about work and routines
- Describing people and things
- Inviting, accepting and declining
- Asking and giving direction
- Expressing tastes and preferences
- Talking about different situations and experiences in the past
- Talking about leisure activities
- Simulation of daily experiences
- Acquisition of knowledge about the Portuguese culture

### **Methodology**

"**Communicative Approach**" – Approach based in the active role of students in the entire learning process, and most particularly in classroom activities, with the constant supervision and support of the teacher.

### **Diagnostic Test**

Diagnostic test is mandatory (24<sup>th</sup> September 2018).

## Assessment

Student continuous assessment's with a final exam in order to evaluate learning outcomes.

Our level system, based on the Common European Framework, puts into practice the European's Council proposal for a common level system throughout the EU.
