REITORIA

### To the academic community

Following new government regulations issued today through decree 3-C/2021, the Rector 's Office informs UCP's academic community that the following measures will be implemented immediately:

1. All teaching activities will migrate to online platforms, and Spring semester sessions will be held remotely until the end of the lockdown period;
2. The ongoing evaluations will also migrate to online platforms, keeping the schedule as planned;
3. All scheduled and ongoing Vivas (Ms, PhD) will migrate to online platforms;
4. Academic tenure committee meetings will be held remotely;
5. All the libraries will remain open, though prior place reservation is required;
6. R&D activities will be carried out as planned;
7. On all UCP campuses, cafeteria and / or canteen services will be available, adjusted to the needs of each campus;
8. Faculties and Schools will maintain the current minimum services, with in-person attendance only when strictly necessary and by prior appointment;
9. Staff will adopt, whenever possible, remote work, keeping minimum services on campus;
10. Remote work shall not include essential workers such as IT personnel, cleaning and maintenance teams;
11. University Day celebrations are hereby postponed to March 26, sanitary conditions allowing;

Lisbon, January 22, 2021

The Rector  
Isabel Capelo Gil
