Notice

Taking in consideration the extension of the State of Emergency declared by the Government and having in mind the evolution of the country's health situation, classes in the second semester will be held in remote mode until Easter break.

By the end of March, the situation will be assessed and according measures will be taken either to change or to maintain classes in remote mode.

The national Universidade Católica Portuguesa's Day Celebrations, previously scheduled for March 26, will take place on a remote model.

The current pandemic situation and the adopted restraining measures also advise to the suspension of graduation and diploma awarding sessions during the present academic year.

In a time of exception, we will maintain our commitment to the mission with normality and security.
